# Our venues

*A proven home for music-led events.*

We operate across three core venues in Croatia:

Flagship multi-stage festival site

Award-winning open-air club

Social and cultural space

Funktion-One sound systems throughout - a consistent standard across every space.

Built for programming. Designed for flow. Proven at scale.

# The Garden Resort

*A trusted boutique festival site.*

Set on Croatia's Dalmatian coast, The Garden Resort is one of Europe's most loved festival sites.

- 6,000+ capacity
- 8 festivals per season
- 40,000+ attendees annually
- Multi-stage, multi-format site

Built for music-led programming.

- Beach, headline and immersive stages
- Day and night boat parties on the Adriatic
- Integrated accommodation
- Walkable layout with established infrastructure

# Barbarella's

*Built for serious late-night programming.*

When the main stages close, the night continues.

Set beneath the trees on the Adriatic coast, Barbarella's has earned cult status for its open-air, sunrise-driven dancefloors.

- 3,500 capacity
- Sound and lighting-led production
- All-night transport connection to The Garden Resort

## Mali Barbarellas

An extension of Barbarella's - reimagined for new spaces and new contexts.

# The Garden Taproom

*A flexible space for city-based events.*

Set in Zagreb's industrial east, The Garden Taproom is designed for a wide range of event formats - from structured programming to more informal gatherings.

- 300 capacity inside and 800 outside
- Modular layout with adaptable configurations
- Integrated bar and food offering

Built for multiple formats.

- Brand and product launches
- Talks, workshops and panels
- Pop-ups, private events and networking
- Live concerts

# Sound

Serious sound.  
*Delivered properly.*

Sound sits at the core of every Garden Productions event

- Croatia's largest Funktion-One inventory
- Tuned to each environment
- Built to scale without compromise

# Scenography & Production

Built with intent.  
*Designed to perform.*

We approach every space as a complete environment - Not just a stage

Working in close partnership with Studio RAITO, we combine creative direction with technical precision to shape spaces through light, structure and flow.

What we deliver

- End-to-end design and production
- Lighting-led environment
- Integrated sound, structure and scenography

A space with real identity, where people move naturally & the atmosphere lasts from first light to final track.

# Food, Drink & Service

## Built for the *crowd*.

Great events are shaped by what happens between the music - where people gather, reset, and stay. We deliver food and drink together across The Garden Collective.

- Bars designed for flow
- Flexible food offering
- Seamless service

### Full Circle

kitchens, menus and service for restaurants and festival dining.

### Shkoop

our in-house session lager, brewed in Croatia by The Garden Brewery for music-led events.

### Proven at scale

- Up to 5,000 meals per day
- Multi-bar, high-volume operations
- RFID cashless payment system

# Beyond our venues

We bring it to *you*.

Everything we deliver on-site can be deployed anywhere - at your venue, your location, or your event.

- Full production delivery
- Modular support (sound, lighting, scenography, hospitality)
- Creative collaboration or full direction
- Built to scale

A partner - not just a supplier.

# Why choose us?

*A partner you can rely on.*

---

- Proven track record
- Quality as standard
- Built on clear process
- Flexible partnership & support

We treat every event as our own  
– bespoke in approach, planned properly and delivered with care.
